Present

Kilimanjaro Safari Driver/Guide - Disney Animal Kingdom

Operating large open air safari vehicles through a live African wildlife reserve. Providing guests with a safe and informative tour while delivering engaging and informative narrations about the animals, ecosystems, and the conservation efforts of the world, adapting my delivery to diverse audiences throughout the day. Additionally covering land positions which consists of managing the queue to ensure efficient line flow and safely loading and unloading safari guest following strict standards and accessibility standards. The role requires strong public speaking, guest services, attention to detail and safety, and the ability to respond calmly to situations involving both animals and guests.
